## Breakfast Club

We had a few enquiries from parents regarding breakfast club in September, both in terms of start times and the Government's free breakfast. Unfortunately, we are still waiting for confirmation from the DfE regarding the free breakfast club, until we have information from them, we are unable to finalise any plans/timings for how breakfast club will work from September. We will update parents/carers as soon as possible.

## Charity Football Match

There are still places available for the staff vs Y5/6 pupils charity football match. If you would like your child to take part, please sign them up via MCAS under After School Clubs and Events. If your child is unable to play or would prefer not to, they are welcome to come along and support the teams. It would be great to see lots of pupils and families there cheering everyone on!

## End of Term

As we move towards the end of school year, we kindly ask all parents/carers to check their child's account for any outstanding balances, including meals, trips, breakfast club and PlayZone. We would appreciate balances being cleared as soon as possible. If you have any questions, or require any support with payments, please contact Mrs Holliday in the school office.

Year 6 parents/carers – please ensure that you are up to date with payments for your child. Any credits on accounts will be refunded at the end of term.

## Contact Details

Unfortunately, we have noticed an increase in phone numbers that are no longer in service, which has made it difficult for us to contact some parents and carers.

Please inform the school office as soon as possible if any of your contact details, or those of your child's emergency contacts, have changed. It is essential that we have up-to-date information so that we can reach you in the event of an emergency.

## Lost Property

Once again our lost property collection is growing! We have lots of items of clothing, water bottles, bags and some lunchboxes which remain unclaimed which do not have names on them. If your child is missing anything, please check the lost property box inside the Y5/6 entrance. **Please** spare a few minutes to clearly label your child's belongings. This simple step makes it much easier for us to reunite items with their owners and helps avoid the inconvenience and expense of replacing missing items.
