14/09/2021 | After-School Clubs

Dear parents/ carers,

I am thrilled to be able to launch our extensive after-school clubs programme for the autumn term.

This term we will continue to run the majority of our clubs for free (run by staff up to 4:15pm), as well as offering some brand-new specialist clubs, run by external experts for a small fee (up to 4:30pm). The first of these will be a specialist Design & Technology club by the fantastic Hepp DT (@HeppDT on Twitter). This club includes all resources, tools and instruction and children will create some incredible items! Hepp DT will run a KS2 club up to October half-term, and a KS1 club after Oct half-term. Most other clubs will run for 8 weeks, and finish in time for Xmas events.

If these specialist clubs prove popular, we will add more over the coming terms in a range of areas.

Please note:

- **All clubs must be booked via the Pupil Asset app or website.**
- Children must be collected by a known adult at the end of the club, in line with our safeguarding policy. Due to the dark nights drawing in, we will not allow any children to walk home alone from a club, even if they usually walk home from school.
- We will try to accommodate everyone who wants to attend a club, but places are limited and on a first come, first served basis.
- Please pay attention to the start and finish date for each club as these do differ.
- If a child registers for a club, they will be expected to attend every session if they are present at school.
- Children can bring a healthy snack if they wish.
- We will not run clubs for FS2 pupils in Autumn, as they are still settling into school and getting used to a full day of learning.
- If a club does not reach its minimum numbers, we may not be able to run it.
- If a club is cancelled for any reason, we will let parents know via text.
- If your child attends PlayZone after their club, please book and pay for your PlayZone slot as normal, as if your child was not in another club. A member of staff will collect them after their club.

#### How To Book
