Diary Dates

On the next page of this newsletter are a full list of key diary dates for the summer term.

School Crossing Patrol Service (SCP)

An update on the crossing patrol – next week the SCP wardens will be visiting school to carry out a 'criteria check' on the roads around school. If they deem all the criteria met in terms of dangers, a recruitment process will start in the coming weeks/ months to appoint someone, but they may not be in role until the Autumn term. Thank you so much to all parents for your support and making your voices heard on this!

Staffing Update

We'd like to say a big thank you to Mr Thomas, our caretaker, as he has now left this role. We wish him all the best! We now have a new caretaker – Mr Hazelgrave, who will be with us for the immediate future. Mr Hazelgrave travels quite a distance to get into school so may not be with us long term, but we'll keep you updated.

Website Update

We've just updated a lot of information on the website, so please take a look! Over this term we'll also be updating our curriculum pages, so there'll be even more information about what children are learning.

New Dinner Menu

A new dinner menu has now started, Mrs Holliday will be attaching it to the mail that comes with this newsletter.

Parking

Please **do not** park at the front of school or on the large pavement opposite. We need to all work together to make sure our children and community are safe – especially when we have no crossing patrol. Parking at the front of school or on the large pavement opposite is really dangerous, please work with us to protect everyone!

After-School Clubs

A letter went out earlier this week with after-school club info for the summer term. There's more great clubs on, that takes us up to over 1000 places offered so far this year!

Y6 SATs Parent Course

Starting next Tuesday, we're offering a FREE parent course to help your child with maths for SATs, as well as helping with test anxiety. This is provided by Barnsley council and will be every Tuesday at 9am in the Sports Hall up to SATs.
